

### Specifically Designed, Luxury Small Ship

The deluxe **Zafiro** is specifically designed to navigate the unique waters of the Upper Amazon River and its tributaries. This spacious yet intimate vessel offers a comfortable way to experience the biodiversity and varied cultures within this extraordinary, remote and untouched rainforest in the protected Pacaya-Samiria National Reserve.

Throughout the cruise, English-speaking, highly trained naturalists provide expert insight into the Amazon's amazing array of wildlife during lectures, small boat excursions and nature walks.

**Zafiro** features a specially designed, spacious open-air Observation Deck offering scenic views by day and spectacular stargazing at night. Public areas also include a full outdoor bar and lounge, indoor reading lounge, fitness room and massage services. The vessel is equipped with small excursion boats ideal for shore visits into the most remote reaches of the Upper Amazon River.

### Life Aboard Zafiro

Every voyage aboard **Zafiro** offers a unique experience, a customized journey into the incredibly diverse Amazon rainforest — home to more than a thousand animal species and an equal number of plants, with new species being discovered all the time.

### Excursions during your Amazon river cruise

Get to know the Pacaya-Samiria National Reserve as you participate in a range of activities aimed at providing hands-on, authentic, yet comfortable ways to discover the rainforest's waters and land. A highly trained naturalist guide leads each excursion. **Zafiro** travels with three auxiliary boats. These support crafts take small groups on river explorations and ashore for land-based activities.

### Cuisine

Onboard dining features Peruvian and international cuisine prepared each day from the freshest local ingredients. The backdrop for every meal is an ever-changing vista of the Amazon's exotic beauty viewed through the dining room's floor-to-ceiling panoramic windows.

### Navigate the Amazon waters in the most secure way

Safety is our priority. Aboard our Jungle Experiences cruises,

everything is designed for the well-being and safety of our passengers, no matter which cruise you choose for the journey of your dreams through the Amazon and the Peruvian Jungle.

### Feel the bond between nature and humanity

Our guides know every inch of our Amazonian Jungle. Their more than 20 years of experience in the region make them the best people to show us the Amazon Rainforest and its native cultures.

### Medical Services

Shipboard medical services and facilities, including a doctor, nurse and medications, are not available. A first aid kit and staff paramedic are available, and officers are trained in basic first aid. The boat remains close to shore, and medical services are available in the ports of call.
