

ZAMBEZI QUEEN

Captivating River Cruising

Designed specifically for wildlife viewing, the intimate 28-passenger **Zambezi Queen** made her debut in one of the world's most captivating places, Africa's legendary Chobe River. As the boat drifts along the river, animals perceive no threat, affording you once-in-a-lifetime, up-close game experiences.

An enclosed, air-conditioned dining room, lounge and bar grace the top deck, as well as an open-air Sun Deck complete with plunge pool. Suites feature private balconies where you can enjoy unobstructed views of the river and African landscape.

Throughout the day, enjoy complimentary South African wines, beer, local spirits, soft drinks and bottled water. And on one special night, enjoy an African-themed dinner with traditional dishes and entertainment.

Sustainable Cruising

To preserve its wildlife surroundings, **Zambezi Queen** was designed to be environmentally friendly. It has an eco-friendly water jet propulsion system, fuel-efficient and low-emission generators, and a solar heating system.

In-depth Exploration

Local guides will lead impressive game-viewing river safaris aboard small, custom-built, private excursion boats.

Award-Winning Cuisine

While on board **Zambezi Queen**, our guests will dine in absolute opulence while taking in the unique African surroundings. Situated on the third level, the dining room offers unobstructed views on three sides. Experience delectable dishes such as butternut and macadamia soup and fillet of beef with bordelaise sauce paired with the perfect wine.

Impeccable Service

Our professional and friendly crew go above and beyond to ensure you have a memorable experience.

Currency

The U.S. dollar is the official currency on board the ship. Visa credit cards, South African rand and Botswana pula are also accepted. Participants may sign for purchases on board and settle their account prior to disembarkation.

Smoking Policy

Zambezi Queen has a nonsmoking policy.

Smoking is permitted only on the aft deck in designated areas.

Medical Services

The crew is trained in Remote Area First Aid, but there is no physician on board. Severe medical problems will require evacuation at the participant's expense. Participants should bring a sufficient supply of required prescription medicines and basic first aid needs, as they will not be available on board.
