

LA PERLA

Specifically Designed, Small Expedition River Boat

The first-class **La Perla**, specially designed to navigate the unique waters of the Upper Amazon River and its tributaries in a way that's non-invasive to the biosphere, carries a maximum of 30 guests within its 14 cabins. This upper-tier yet intimate river boat offers a comfortable way to experience the biodiversity and varied cultures within this extraordinary, remote and untouched rainforest in the protected Pacaya-Samiria National Reserve.
